ST2/3 Feedback

“A fantastic practice with a strong focus on training”

“Forward thinking and energetic trainers”

“Friendly and very supportive trainers and an excellent group of approachable staff and GPs”

“Nice central location with a diverse patient population”

ST2/3 Feedback

“I loved how the practice team involved me in all aspects of being a GP, giving me an insight into the business side of things. A great environment for being challenged with a lot of support available”

ST2/3 Feedback

“Having just finished my registrar year at Clifton Road Surgery, I can highly recommend it as a training practice. It is a busy and lively practice with a lot of learning opportunities. The two trainers are organised and enthusiastic, with time for tutorials and other teaching sessions protected and planned well in advance”

ST2/3 Feedback

“The practice as a whole is very welcoming to trainees and you feel very much part of the team”

“I had a brilliant 12 months, learnt a lot and most importantly, feel well prepared for starting work as a salaried GP”
